Inspire the Next

Conclusion

Thank you for taking this cloud migration, application modernization, and data capitalization maturity test. This demonstrates your ambition to succeed in your digital transformation strategies and is a good starting point to set you apart from your peers. We hope you have been able to identify the weaknesses and strengths in your approach, and have gained some tangible advice to help make progress, while developing a competitive edge. If you want to know more about the role of cloud, especially multicloud and hybrid cloud in application modernization and digital transformation as well as the value of data, please check out the following report:
